

August 2024

To: North Carolina County Election Official

This is a formal notification that the holder of this letter from **Faiths United to Save Democracy (FUSD)**, bearing the red Poll Chaplain/Peacekeeper badge shown below, is an official Poll Chaplain/Peacekeeper of Faiths United to Save Democracy.

Faiths United to Save Democracy (FUSD) is a nonpartisan, multi-racial, multi-faith, intergenerational 2024 voter education and protection campaign in **AL. AZ. FL. GA. MI. NC. OH. PA. TX. and WI.**

The campaign is rooted in the belief that everyone is created in the image of God and deserves to express their freedom to vote in free, fair, and safe elections. **FUSD** Poll Chaplains/Peacekeepers are ordained clergy (in sacred collars), lay, and community leaders providing three services:

1. A moral and calming presence during a time of escalating tensions in our nation;
2. Practical support to voters within the ground rules of the polling location; and
3. Peacekeeping or de-escalation of potential conflicts using skills gained in peacekeeper training.

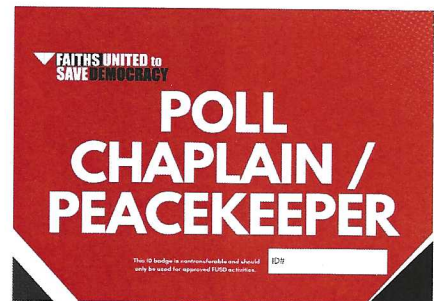

FUSD's overall goal is to help protect voters' rights, especially vulnerable voters.

We understand, respect, and support your important role and the entire election staff in the democratic election process. Our presence as supporters to voters is consistent with those important roles. We also request that you confirm by return email when we can receive polling locations in your county.

Thank you in advance for accepting the role of our Poll Chaplains/Peacekeepers and for upholding the principles of democracy, particularly the importance of the right to vote for all.

Sincerely yours,

*Dr. Barbara Williams-Skinner, Rev. Jim Wallis,
Rev. Adam Taylor, Rev. Moya Harris*
